SAFETY POLICY AND RISK ASSESSMENT

Oxford Motorsport Society

Maintained under paragraph 2(d) of the Constitution

The Club's activities operate in accordance with this risk assessment, the University's Regulations for the Activities and Conduct of Student Members, and University safety policy. This assessment must be acceptable to and approved by the University's Safety Officer, and is reviewed at least annually and before any new type of activity. The Club's activities are non-sporting and consist principally of indoor screenings and "watch parties", speaker events, socials, and spectator trips to motorsport venues.

Risk rating: Likelihood (1–5) × Severity (1–5) = Risk score (1–25). Low = 1–6; Medium = 8–12; High = 15–25. Ratings below are the residual risk once the listed controls are in place.

Hazard	Who is at risk	Control measures	L	S	Risk	Further action / owner
Indoor screenings / watch parties and speaker events						
Slips, trips and falls (trailing cables, crowded room)	Members, guests	Keep walkways and exits clear; manage AV cables and tape down where needed; ensure adequate lighting.	2	2	**4**	Organiser to check room before attendees arrive.
Fire / emergency evacuation	All present	Identify fire exits and assembly point on arrival; brief attendees if a large group; never block exits; follow venue procedures.	1	4	**4**	Organiser to confirm venue fire procedure when booking.
Overcrowding / exceeding capacity	All present	Book an appropriately sized room; monitor numbers; do not exceed stated capacity; use sign-up to estimate attendance.	2	3	**6**	Use ticketing/RSVP for popular races (e.g. Monaco GP).
Electrical equipment (projectors, screens, sound)	Members operating AV	Use venue-provided or PAT-tested equipment; no trailing leads across walkways; do not overload sockets.	2	3	**6**	IT/Events Officer to check equipment.
Alcohol (where served)	Members, guests	Events not centred on excessive consumption; control availability; provide soft drinks; comply with venue licensing; members responsible for own conduct.	2	3	**6**	Committee to brief at socials.
Food allergies / intolerances (where catering provided)	Members with allergies	Label food or inform of ingredients; ask attendees about allergies in advance.	2	3	**6**	Events Officer to collect dietary info.
Socials						
Welfare / intoxication / getting home safely	Members	Welfare contact available; committee look out for members; plan safe routes home; do not leave anyone vulnerable.	2	3	**6**	Welfare contact named for each social.

Spectator trips to motorsport circuits (UK)						
Travel to and from venue (coach / train / car)	Members travelling	Use reputable, licensed and insured transport; no committee member to drive when fatigued; share itinerary and timings; emergency contact list held.	2	4	**8**	Trips lead to confirm transport and insurance.
At the circuit: crowds, noise, weather, uneven terrain	Members at venue	Follow circuit safety rules, signage and marshals; advise suitable clothing and footwear; note high noise levels; agree meeting points and times.	2	3	**6**	Brief attendees before departure.
Members becoming lost or separated	Members	Buddy system; shared group chat; agreed meeting points; emergency contact numbers exchanged.	2	2	**4**	Trips lead to circulate contacts.
First aid / medical incident	Members	Identify on-site first aid and medical points; carry first-aid contact details; members with medical conditions to inform the trips lead in confidence.	2	3	**6**	Trips lead to locate venue first aid.
Overseas trips (e.g. Le Mans 24H)						
Overseas travel (additional controls to UK trips)	Members travelling abroad	Proctors' permission obtained at least one calendar month in advance (constitution para 2(e); Regulation 4.2); appropriate travel insurance; GHIC/EHIC where applicable; contact addresses deposited; comply with any conditions imposed by the Proctors.	2	4	**8**	President to apply to Proctors early; do not commit funds before approval.
